Location plan and How-to-find-us
Freiburger Materialforschungszentrum (FMF)
Freiburg Materials Research Center

Stefan-Meier-Straße 21
79104 Freiburg

By car
Leave the A5 autobahn coming from Basel (South) or Karlsruhe (North) at the "Freiburg-Mitte" exit (No. 62). On the B31 take the next exit signposted "Hauptbahnhof" (central railway station) then turn right at the traffic lights and cross the bridge. After passing the central railway station on your left you will reach Stefan-Meier-Straße. The FMF is located on the left hand side (basement garage available).

By train
Leave the main station and turn left (Bismarckallee). After a few hundred meters cross the street at the crossing and continue straight on. You are now on Stefan-Meier-Straße. After a further 200 meters you will find the FMF on your left hand side.

By plane
Airport Basel-Mulhouse ("EuroAirport"). A shuttle bus to Freiburg Central Railway Station is available.
